Additional Instructional Offerings

In addition to all of our clinic offerings and individual lessons, we're also pleased to offer the following options for improving your game in a setting and format that suits your particular needs. Lessons may be scheduled at your convenience.

◆ Playing Focused Instruction

Join your PGA Golf Professional for a 3-hole or 9-hole playing lesson. This is a great opportunity to interact with your instructor, and for your instructor to observe your game in a golf course situation. Many PGA Professionals agree a playing lesson is probably the most valuable learning experience that we can provide for you.

Cost for 3-hole is \$60, cost for 9-hole is \$125

◆ Family Golf Clinic

Bring Mom, Dad, and the kids out for a fun-filled, educational clinic. This is a wonderful opportunity for the parents to learn how to teach their kids properly, and a comfortable setting for young kids to learn the fundamentals of the game. We can tailor each Family Golf Clinic to your family's specific needs and requests.

Cost for One Hour Family Golf Clinic: \$99

◆ Parent – Child Clinics

A wonderful opportunity for you to spend some time with one of your kids... or one of your parents! Get very individualized instruction from your PGA instructor, at a pace that suits the needs of parent and child. This is another great opportunity to introduce your child to the game in a comfortable setting.

Cost for One Hour Parent-Child Clinic: \$79

Series of 4: \$279

◆ Couples Clinic

Spend an hour with your spouse learning the finer points of the short game, or the full swing. This is a great opportunity to have some quality time together under the watchful eyes of a PGA Golf Professional. Learn how to coach and help each other in a productive manner on the practice range or the golf course.

Cost for One Hour Couples Clinic: \$99

Series of 4: \$299

◆ Junior and Adult Custom Group Clinics

We are pleased to be able to offer personalized group instruction for men, women, and juniors. Set up a weekly clinic for your foursome, or for your kids and their friends. The cost will vary depending on the number of participants.

Corporate Clinics

Rattlesnake Ridge Golf Club is the best choice to host your corporate golf event. Enjoy a wonderful golf experience with employees, clients, or customers. We can schedule the perfect event for your group, regardless of the size and experience level. You and your group can enjoy many of the following amenities that we can provide for you:

- World class instruction from our PGA Golf Professionals
- Enjoy our great practice facility, or allow us to bring the clinic to your location.
- State of the art computer swing analysis
- Wide range of topics including short game, full swing, beginning and advanced players, on course experience.
- Full service personalized club fitting and demos
- Skills challenges and team competitions
- Customized food and beverage setups to fit your needs
- Clinics before, during, or after your golf outing.
- Instructional events that range from one hour, to multiple day schools

Please contact Mike Stills, PGA Head Golf Professional, to discuss how we can create a corporate golf instruction experience that will thrill your employees, clients, and customers.
